VisitNC.com Guidelines

The following are guidelines for inclusion in the VisitNC.com database. The North Carolina Division of Tourism, Film and Sports Development (*The Division*) has developed these guidelines to better facilitate the listing of attractions, accommodations and events pertinent to travel and tourism in the state of North Carolina.

For the purpose of these guidelines, the term “accommodations” is to include hotels, motels, restaurants, rental properties, rental property agencies, bed and breakfast establishments (*regardless of the number of rooms*), country inns, resorts and private or park campgrounds.

For inclusion in the VisitNC.com database, all attractions and accommodations:

- Must be a legally operating and tax-paying (if applicable) business.
- Must be located within the borders of the state of North Carolina and have a North Carolina site or mailing address.
- Must be reasonably clean and meet state Department of Health guidelines, if applicable.
- Cannot promote nudity, drunkenness or lewd behavior.

In addition to the above guidelines:

- Attractions and accommodations must be open to the general public.
- Attractions and accommodations must be of interest to the general public.
- All state sponsored and owned parks, markets and other facilities are automatically eligible for inclusion.
- All county, city and town tourism offices, chambers and visitors bureaus in North Carolina are automatically eligible for inclusion.

Events may also be included. They must:

- Be related to tourism and draw attendance from at least 50 miles away. (*Events such as Chamber of Commerce banquets, localized after hours concerts and happy hour events, dance recitals, charity walks, etc., are not suitable for this website as they tend to be extremely localized in nature for attendance.*)
- Take place in North Carolina.
- List specific dates and have contact information included.

NOTE:

The North Carolina Division of Tourism, Film and Sports Development reserves the right to refuse or cancel listings at any time.
